The information contained in this syllabus is subject to change without notice. Students are expected to be aware of any additional course policies presented by the instructor during the course.

Catalog Course Description (include prerequisites):

The cosmetology operator program consists of a 1000-hour program which offers the instruction required to pass the state cosmetology examination for licensing in Texas and for entry into the field of cosmetology. Training includes hair cutting, hair coloring, hair styling, manicures, facials, and related subjects in hair chemistry, trichology, and cosmetic chemistry. Upon passing the written and practical examination, and paying the associated fees for testing and licensing, students become licensed cosmetologists. This program has the approval of the Texas Department of Licensing and Regulations.

Each student applying for the Cosmetology Operator Training Program must have a pre-enrollment interview with the instructor. Space in this program is limited. Students are encouraged to apply early.

Required Textbook(s):

TEXTBOOKS-provided by the department

Texas Department of Licensing and Regulations – Law Book.

Northeast Texas Community College Student Handbook.

PSI Candidate Information Bulletin.

Cengage Milady Standard Textbook Bundle: 9781305721937

Includes: Printed & Digital Textbook

Publisher: Cengage Learning

CSME 1401

In this course, the student will study: life skills, professional ethics, sanitation, bacteriology, state laws and regulations/ basic manicuring, pedicuring procedures, nail shapes, disorders, massage, table set-up, use of autoclave and directions, safety and sanitation

Student Learning Outcomes:

1. Students will be able to explain the origins of the appearance of enhancement.
2. Students will be able to name cosmological advancements during the 19th, 20th, and 21st Centuries.
3. Students will be able to list the many and varied career opportunities available to the licensed practitioner.
4. Students will be able to define ethical behavior.
5. Students will list the principles that contribute to professional success.

Exemplary Educational Objectives:

Type EEO's here

SCANS Skills:

All subjects in the program are based on SCANS and foundation skills competencies.

Scans Competencies No's. 1, 2, 3, 4, 5, 6, 7, 8.

Academic transfer - type N/A

Lectures & Discussions:

It is required that students are required to attend theory class and all lectures. Meaningful discussion at the end of the lecture is encouraged.

Hands on manipulative skills will be taught and practiced by the student daily, and an assignment sheet will be evaluated and graded daily, to reflect the work of the student cosmetologist.

Students will attend impromptu learning classes on lab floor unless they are performing a service on a client.

Evaluation

Grading Policy:

Theory Tests/Exams	25%	90-100% =A
Practical Assignment Sheets	25%	80-89 % = B
Practical & Written Grade Out	25%	70-79 % = C
Written & Practical Final	25%	Under 70% = F

Special Credit Projects/extra 5pts added to practical assignment sheet grades-(Not to accumulate over 25% of this grade requirement)

Tests/Exams:

A written examination will be required at the end of each chapter of the text book-a grade of at least 70% is required to be passing.

At the end of 100 hours of cosmetology training, a practical and written examination requiring a minimum passing grade of at least 80% before advancing to practicing skills on the lab floor.

A practical and written examination is required at the end of the semester requiring a grade of at least a 75 % passing grade to satisfactorily pass this course

Assignments:

1. A weekly practical assignment sheet will be handed out to each student on the first day of class of each week.
2. A job assignment will be announced to each student, and each student is required to have their job assignment checked off with an instructor and/or job duty monitor for a grade.

Other Course Requirements:

High school students will need to purchase an access code for the Milady Standard Textbook, a mannequin, and typical classroom supplies such as binder, filler paper, pens, pencils, highlighters, flash drive, and personal care items as they desire. The NTCC Cosmetology Department will provide the other tools needed which will be issued daily to the student and returned. Students may not take equipment home. Students are required to take

care of the equipment issued to them and to respect the furnishings and equipment in the department. The student will be held responsible for lost or damaged equipment.

Student Responsibilities/Expectations:

Students are required to obtain enough hours each semester to complete the cosmetology course in the Fall, Spring and Summer semesters. In order to obtain the 1000 hours required by the Texas Department of Licensing and Regulations in this time frame, regular and disciplined attendance is required of each student. Each Fall and Spring Semester is a 250 hour course of study. Students must be diligent in attending in order to accumulate enough hours to complete the course. If it appears the student is absent too often and will not be able to accrue sufficient hours to graduate at the end of the Two Year High School Program, the student will meet with the divisional director to explain the absences, and a decision will be made determining if the student will be dropped from the course.

The student is responsible for keeping up with their equipment, implements and all working or personal supplies. If the student is absent or has decided to drop from the course, he/she must take supplies home immediately as NTCC is not responsible for these items.

It is the student's responsibility to drop themselves from the cosmetology department through the admissions office.

Other Course Policies:

The cosmetology course is designed to train individuals to be able to enter the field of hair dressing upon receiving their cosmetology license. In order for a student to be completely ready to enter the world of the salon, student must display a professional maturity and appearance, which is required during training throughout the course.

For this reason, a **Cosmetology Student Handbook** is available to every student through Blackboard, NTCC's online classroom to every student. The guidelines within require students to dress in a professional manner, and behave in a professional manner. Failure to abide by these guidelines show a lack of the professionalism which is expected in the business world. **The following behaviors are only a partial example of the guidelines listed of which each student must abide by.**

- Cell phones have become a part of our lives; however, we cannot let them take over our day. Vital information will not be heard if a student is using a cellphone during class. Cell phones should only be used during break. If there is an emergency or if you know there may be a situation where you will need to be contacted/alerted, please have friends/relatives call Charla Hunt at 903-434-8209.
- Students must wear professional scrub top as designated by the cosmetology department.
- Students must clock in looking professional with makeup applied, and hair styled as needed.
- Students must come to class with all the necessary materials, tools, and supplies as needed:
- Note books, pens, pencils, highlighters, etc.
- Fighting between students, bullying, negative body language and facial expressions or any inappropriate interaction between students/instructor is not allowed-students will be immediately dropped from this course if a student initiates or takes any part in a violent episode or behavior. NTCC Security will be called and the student will be escorted from the campus, along with their possessions.
- A professional and positive attitude of good will and helpfulness is a requirement for a professional entering the career world, and is required during training in this course.

NTCC Academic Honesty Statement:

"Students are expected to complete course work in an honest manner, using their intellects and resources designated as allowable by the course instructor. Students are responsible for addressing questions about allowable resources with the course instructor. NTCC upholds the highest standards of academic integrity. This

course will follow the NTCC Academic Honesty policy stated in the Student Handbook."

Academic Ethics

The college expects all students to engage in academic pursuits in a manner that is beyond reproach. Students are expected to maintain complete honesty and integrity in their academic pursuit. Academic dishonesty such as cheating, plagiarism, and collusion is unacceptable and may result in disciplinary action. Refer to the student handbook for more information on this subject.

ADA Statement:

It is the policy of NTCC to provide reasonable accommodations for qualified individuals who are students with disabilities. This College will adhere to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations as required to afford equal educational opportunity. It is the student's responsibility to arrange an appointment with a College counselor to obtain a Request for Accommodations form. For more information, please refer to the NTCC Catalog or Student Handbook.

Family Educational Rights And Privacy Act (Ferpa):

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's educational records. These rights transfer to the student when he or she attends a school beyond the high school level. Students to whom the rights have transferred are considered "eligible students." In essence, a parent has no legal right to obtain information concerning the child's college records without the written consent of the student. In compliance with FERPA, information classified as "directory information" may be released to the general public without the written consent of the student unless the student makes a request in writing. Directory information is defined as: the student's name, permanent address and/or local address, telephone listing, dates of attendance, most recent previous education institution attended, other information including major, field of study, degrees, awards received, and participation in officially recognized activities/sports.
