Catalog Course Description (include prerequisites):

The cosmetology operator program consists of a 1000-hour program which offers the instruction required to pass the state cosmetology examination for licensing in Texas and for entry into the field of cosmetology. Training includes hair cutting, hair coloring, hair styling, manicures, facials, and related subjects in hair chemistry, trichology, and cosmetic chemistry. Students will be awarded certificates of competency. Upon passing that examination, students become licensed hairdressers. This program has the approval of the Texas Department of Licensing and Regulations.

Each student applying for the Cosmetology Operator Training Program must have a pre-enrollment interview with the instructor. Space in this program is limited. Students are encouraged to apply early.

Other Course Requirements:

High school students will need to purchase an access code for the Milady Standard Textbook, a mannequin, and typical class room supplies such as binder, filler paper, pens, pencils, highlighters, flash drive, and personal care items as they desire. The NTCC Cosmetology Department will provide the other tools needed which will be issued daily to the student and returned. Students may not take equipment home. Students are required to take care of the equipment issued to them and to respect the furnishings and equipment in the department. The student will be held responsible for lost or damaged equipment.

Student Responsibilities/Expectations:

Students are required to clock enough hours each semester to complete the cosmetology course in the Fall, Spring and Summer semesters. In order to clock the 1000 hours required by the Texas Department of Licensing and Regulations in this time frame, regular and disciplined attendance is required of each student. Students can miss no more than two days or 18 hours per semester without jeopardizing their placement in the program. If two days or 18 hours are missed, the student will meet with the divisional director to explain the absences, and a decision will be made determining if the student will be dropped from the course.

The student is responsible for keeping up with their equipment, implements and all working or personal supplies. If the student is absent or has decided to drop from the course, he/she must take supplies home immediately as we are not responsible for these items.

It is the student's responsibility to drop themselves from the cosmetology department through the admissions office.

Other Course Policies:

The cosmetology course is designed to train individuals to be able to enter the field of hair dressing upon receiving their cosmetology license. In order for a student to be completely ready to enter the world of the salon, student must display a professional maturity and appearance, which is required during training throughout the course.

For this reason, a Student Stylist Handbook of Professional Integrity is issued to every student. The guidelines within require students to dress in a professional manner, and behave in a professional manner.

- Cell phones have become a part of our lives; however we cannot let them take over our day. Vital information will not be heard if a student is using a cellphone during class. Cell phones should only be used during break. If there is an emergency or if you know there may be a situation where you will need to be contacted/alerted, please have friends/relatives call Charla Hunt at 903-434-8209.
- Students must wear professional scrub top as designated by the cosmetology department.
- Students must clock in looking professional with makeup applied, and hair styled as needed.
- Students must come to class with all the necessary materials, tools, and supplies as needed:
- Note books, pens, pencils, highlighters, etc.
- Fighting between students, bullying, negative body language and facial expressions or any inappropriate interaction between students/instructor is not allowed-students will be immediately dropped from this course if a student initiates or takes any part in a violent episode or behavior. NTCC Security will be called and the student will be escorted from the campus, along with their possessions.
- A professional and positive attitude of good will and helpfulness is a requirement for a professional entering the career world, and is required during training in this course.

NTCC Academic Honesty Statement:

"Students are expected to complete course work in an honest manner, using their intellects and resources designated as allowable by the course instructor. Students are responsible for addressing questions about allowable resources with the course instructor. NTCC upholds the highest standards of academic integrity. This course will follow the NTCC Academic Honesty policy stated in the Student Handbook."

Academic Ethics

The college expects all students to engage in academic pursuits in a manner that is beyond reproach. Students are expected to maintain complete honesty and integrity in their academic pursuit. Academic dishonesty such as cheating, plagiarism, and collusion is unacceptable and may result in disciplinary action. Refer to the student handbook for more information on this subject.

ADA Statement:

It is the policy of NTCC to provide reasonable accommodations for qualified individuals who are students with disabilities. This College will adhere to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations as required to afford equal educational opportunity. It is the student's responsibility to arrange an appointment with a College counselor to obtain a Request for Accommodations form. For more information, please refer to the NTCC Catalog or Student Handbook.

Family Educational Rights And Privacy Act (Ferpa):

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's educational records. These rights transfer to the student when he or she attends a school beyond the high school level. Students to whom the rights have transferred are considered "eligible students." In essence, a parent has no legal right to obtain information concerning the child's college records without the written consent of the student. In compliance with FERPA, information classified as "directory information" may be released to the general public without the written consent of the student unless the student makes a request in writing. Directory information is defined as: the student's name, permanent address and/or local address, telephone listing, dates of attendance, most recent previous education institution attended, other information including major, field of study, degrees, awards received, and participation in officially recognized activities/sports.
