Student Responsibilities/Expectations:

Students are required to clock enough hours each semester to complete the cosmetology course in the Fall, Spring and Summer semesters. In order to accrue the 1500 hours required by the Texas Department of Licensing and Regulations in this time frame, regular and disciplined attendance is required of each student. Students can miss no more than two days or 18 hours per semester without jeopardizing their placement in the program. If two days or 18 hours are missed, the student will meet with the divisional director to explain the absences, and a decision will be made determining if the student will be dropped from the course.

The student is responsible for keeping up with their equipment, implements and all working or personal supplies. If the student is absent or has decided to drop from the course, he/she must take supplies home immediately as we are not responsible for these items.

It is the student's responsibility to drop themselves from the cosmetology department through the admissions office.

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. Students to whom the rights have transferred are considered "eligible students." In essence, a parent has no legal right to obtain information concerning the child's college records without the written consent of the student. In compliance with FERPA, information classified as "directory information" may be released to the general public without the written consent of the student unless the student makes a request in writing. Directory information is defined as: the student's name, permanent address and/or local address, telephone listing, dates of attendance, most recent previous education institution attended, other information including major, field of study, degrees, awards received, and participation in officially recognized activities/sports.
