Other Important Stuff:

1. When you are in the theatre, you must follow all safety precautions. The safety of our students in a learning environment such as our theatre is of the greatest importance;
2. The WHATLEY THEATRE is our home. I encourage you to feel at home and think of Theatre Northeast as a safe harbor--or perhaps an oasis in the desert. However, in OUR HOME, it is expected that you CLEAN UP after yourselves. Anything that you bring into the theatre must be disposed of properly after class or rehearsal. I might add that if you take pride in OUR HOME, it might even be a good thing to pick up after others who do not share the respect that you have for OUR HOME;
3. Theatre, by its' nature, is a very diverse and eclectic merging of personalities, cultures and life styles. I encourage you to embrace the wonderful diversity that is inherent within the study and stagecraft of theatre. I have the expectation that you will treat each individual with respect and professionalism. Strive to "honor the art within yourselves." Although the class is about "drama"- I strongly suggest that you leave your personal "drama" out of the classroom. You may have the expectation that I will always treat you with respect and professionalism.

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. Students to whom the rights have transferred are considered "eligible students." In essence, a parent has no legal right to obtain information concerning the child's college records without the written consent of the student. In compliance with FERPA, information classified as "directory information" may be released to the general public without the written consent of the student unless the student makes a request in writing. Directory information is defined as: the student's name, permanent address and/or local address, telephone listing, dates of attendance, most recent previous education institution attended, other information including major, field of study, degrees, awards received, and participation in officially recognized activities/sports.
