## **Other Course Requirements:**

### **Attendance/Participation Policy**

An online writing class requires consistent engagement. All of your activity, including the links that you access and the amount of time spent on each activity, is tracked through Blackboard. You should plan to log on every day and participate fully in the course. Failure to participate in course activities, complete required readings, and turn in work will lower your course grade or cause you to lose credit completely.

**You should also check your NTCC email account daily. This email account will be the official form of communication for this course.** Your email address is your first initial + your last name + the last three digits of your SSN. If you do not have a social security number, use the last three digits of your birth year. Your password is your birthday in the form of mmddyyyy (Ex: May 8, 1992 would be 05081992). Once you are logged in to the MyEagle portal, you can access your email by clicking on the Gmail icon. A good suggestion is to set up your email on your phone so that you will not miss important messages about the course.

### **Late Work Policy:**

The word “assignments” refers to all work that is submitted to the instructor or posted on the discussion board. Students are to submit assignments on or before the stated due date/time. Late assignments will only be accepted at the instructor’s discretion and will not receive full credit. Emergency situations will be handled on an individual basis.

### **Plagiarism:**

In any written paper, you are guilty of the academic offense known as plagiarism if you half-copy or copy another author’s sentences or words. Usually this results in an automatic grade of “F” for the course. You cannot mix the author’s words with your own or “plug” your synonyms into the author’s sentence structure. To prevent unintentional borrowing, resist the temptation to look at the source as you write. **If you use another person’s words, phrases, sentences, even if you are paraphrasing, you must cite the source.** All essays are submitted through TurnItIn.com, a plagiarism checker.

## **Student Responsibilities/Expectations:**

### **Computer Requirements:**

You must have access to a computer to take this course. Your computer needs to have Windows XP SP3 or later or MAC OS X10.3 or higher. You will need Office 2003 or higher, and you will need broadband internet access. You can check your operating system by right clicking on the My Computer icon on the home screen. You can check your word processing program by going to Start and clicking on All Programs. You will find your Office program there. If you do not have access to a computer with the minimum computer requirements, I strongly suggest that you reconsider taking this online course.

### **Withdrawal Policy/Date:**

It is your responsibility to drop a course or withdraw from the college. **Once you have submitted the syllabus acknowledgment, you are considered in attendance.** If you stop attending the course without withdrawing, you will still receive a grade, whether passing or failing.

### **Diversity:**

The course content and the course environment are dedicated to an understanding of and acceptance of all people. Disparaging remarks in relation to others’ ethnic or racial background, sex, sexual orientation, age, disability, socioeconomic background, et cetera, will not be tolerated. For more information, please refer to the NTCC Catalog or Student Handbook.

**Family Educational Rights And Privacy Act (FERPA):**

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's educational records. These rights transfer to the student when he or she attends a school beyond the high school level. Students to whom the rights have transferred are considered "eligible students." In essence, a parent has no legal right to obtain information concerning the child's college records without the written consent of the student. In compliance with FERPA, information classified as "directory information" may be released to the general public without the written consent of the student unless the student makes a request in writing. Directory information is defined as: the student's name, permanent address and/or local address, telephone listing, dates of attendance, most recent previous education institution attended, other information including major, field of study, degrees, awards received, and participation in officially recognized activities/sports.
